

# The Garage

## Powered by GE

1122 Connecticut Avenue NW  
Washington, D.C. 20036

The Garage space invites everyone to come explore and learn about how technology is changing the way we build in the world today. Join us for hands on workshops, classes, and a chance to turn your ideas into inventions. Register for classes and more at [www.gegarages.com](http://www.gegarages.com).
